June 2023

Greetings CIS Families,

It is so hard to believe that the end of the school year is here! June will be full of end of year events. Many of the events are listed on the calendar. Please take a few minutes to review the information in this newsletter.

It has been a privilege having your children as members of the CIS family this year. We wish our 6th graders the best of luck as they move on to SMS!

As summer begins please take some time to relax & recharge.

Sincerely,

Chromebook Collection

As our school year begins to wind down, I wanted to remind families that we will be collecting Chromebooks and chargers just like last year. Chromebook collection will begin on June 5th and will continue through June 7th.

Your student will receive a receipt for their Chromebook with the items that were collected. If something is not returned or is broken the receipt will indicate the cost to repair or replace. Please help your student in locating their items in the upcoming weeks so that they can be turned in. A sample receipt, is provided below (red link) so that you can see what is being collected and the cost for damages or lost items:

Please contact the school, at 302-653-4512, if you have questions/concerns regarding the return policy.
