# Tips From 9th Grade Teachers

Always have your agenda book and do not let anyone borrow it

Download HAC to your phone

Always have your charger for your chromebook and do not let anyone borrow it

Ask questions!!

Put important codes and account information for Google Classroom, HAC, and Remind into your phone

Be open minded and accepting of everyone and their differences

Sign up for Remind or whatever teacher communication tool your teacher uses

Complete test corrections (procedures for this in each class may be different, so ask)

Use the calendar on your phone to keep track of important dates

Use the Academic Enrichment program after school to finish assignments or for test help/studying

Use class time wisely

Have separate folders for each classes materials

Set measurable goals for yourself

# Tips From 9th Grade Teachers

Make connections with classmates and teachers

Explore ways to give back to others

Freshman year is your building block - start off strong!

Find the right fit for YOU

Be a part of something bigger than yourself

Find something that interests you and get involved!

In order to take Driver's Ed, you need to pass ELA and Math in 9th grade and earn 6 credits

Join at least 1 club to make new connections with other students

It's going to be an adjustment - WE are here for YOU

Stay out of high school drama

**BE KIND!!**

# Tips From The Class of 2023

Participate in anything and everything; the 4 years go by quickly

It is never too late to be yourself

Stay organized.

Grades truly matter.

High school is a lot of fun, but not without its challenges. The competitive pep rallies and football games are to live for! Take every day, one day at a time and keep your focus!

It's not as hard as it looks. Just pay attention and do as you're told.

Keep your grades up, use all of your resources, and start applying for scholarships.

Once you find your group, you'll have the best time ever. Don't let drama alter your look on high school.

It's ok to have downfalls; it gives you room for growth.

Don't stress it too much. Always ask your teacher for help and don't get into the wrong group of friends.

Be friendly with everyone.

Stay up to date with assignments!

# Questions?

We will respond to all questions, individually, via email, from the administrative team or counseling team.
