## **PRESS RELEASE**

**For immediate release**

---

The Smyrna School District was notified by Smyrna PD last week of a social media video circulating appearing to show 2 individuals trespassing inside of Smyrna High School after hours. This video was brought to police and district attention well after the fact. We assisted Smyrna PD investigators with identifying these individuals and were notified that they were recently arrested for the incident. Smyrna PD has informed us that these suspects are part of a larger on-going investigation, and no other details are expected to be released until the conclusion of their investigation.
