Dear Smyrna School District Families,

The new school year is right around the corner, and we couldn't be more excited to welcome our students back! Teacher assignments and class schedules are now available in the Parent Portal of Infinite Campus.

We know families need plenty of time to plan for morning pickups and drop-offs. Over the past few weeks, we have been working closely with the Delaware Department of Education and our routing software provider to resolve an issue that delayed bus assignments. We are happy to share bus information will be available midweek. As soon as it is ready, we will notify families, so you know when to access the details in the Parent Portal. In the meantime, please take a moment to confirm that your contact information in Infinite Campus is up to date. This will help ensure you receive timely updates and accurate transportation information.

Our lunch payment portal has changed. We hope you received that information via email over the summer. All balances from My School Bucks have transferred to the new system called PaySchools Central. You can find the directions to download the new app [here](#).

Here are a few important upcoming events to help you get ready for the year:
