

## Spotlight on Smyrna High

Dear Parents/Guardians:

As the 2022-2023 school year progresses, you and your child will be making the important decision about which high school to attend in the fall. Smyrna High School provides a strong academic curriculum, which prepares students for the future. We offer a College Preparatory and Honors Curriculum, as well as 17 Advanced Placement (AP) and 17 Dual Enrollment courses. Students can also choose from over 20 different Career Pathway options.

The Smyrna High School counselors, administration, and instructional staff invite all eighth grade students and their parents/guardians to attend **Spotlight on Smyrna High** on **February 1st**. We will present information on each of our Career Pathways, offer tours of our facilities, as well as provide the opportunity to speak with students and staff about our academic and extracurricular programs. We are excited to show you all of the great opportunities Smyrna High School has to offer!

Please enter at the side entrance near the Auditorium or at the main entrance at the front of the school. Doors will open at 5:45 p.m. and the presentation will begin promptly at 6:00 p.m. An opportunity for a guided tour will be available following the presentation.

Questions? Contact Mr. Ron Girton, 9<sup>th</sup> Grade Counselor
