

Class of 2026

Smyrna High School

Dear Members of the Class of 2026:

Welcome back to Smyrna High School! You have successfully completed your second year of high school. While there were challenges you all faced over the past year, we are so proud of how you all persevered through. We love the school spirit, competitive spirit and joy you have all brought over the past two years in all aspects from school events, academics and athletics. We cannot wait to see it all continue as you embark on your Junior year. Junior year is another exciting year full of events and memories to be made. We start with homecoming and another year of float, pep rallies, battle of the classes, powder puff and lastly, hosting this year's prom. We are excited to be by your side and cheering you on through it all.

1. Class Officers

- We will hold elections for class officer positions in the fall. Elections will be held for the following positions. Please listen to the announcements for information regarding the election process if interested. We will also post information on our Google Classroom when it gets closer.
 - President
 - Vice-President
 - Secretary
 - Treasurer

2. Class Dues

- Class dues help to cover the cost of float materials, homecoming decorations along with many other events and activities over your four years in high school. All funds will benefit the students of the Class of 2026.
- Class dues are **\$5.00** for each school year. If you'd like, you may pay in full **\$10.00**, which would cover you for your remaining years at Smyrna High School.
- Cash or checks are acceptable. Checks can be made out to SHS Class of 2026. Dues must be paid prior to attending Homecoming Float construction which will begin on Saturday, October 7. Dues may be paid directly to one of the advisors or the main office.
- If you are not sure if you have paid your dues from previous years, please reach out to one of the advisors to check.

3. Homecoming

- **Float:**
 - This year's homecoming game is October 11th against the Caesar Rodney Riders. We will begin building a float two weeks prior to this (Saturday, September 28, 2024).
 - Building a float will require a lot of time, commitment, collaboration and creativity in two short weeks. Please join us during this time and show our community and school all our hard work and creativity.
 - **Anyone with float ideas/themes please email one of the advisors by September 1, 2024.**
 - As advisors, we encourage parents and volunteers to attend float building as your assistance will be vital to the success of an AMAZING float.
 - We will be seeking volunteers regarding materials, construction, and meals this year. Anyone interested in helping out in any way can contact either advisor at the emails below.
- **Prom:**
 - We are responsible for hosting the Prom this year.
 - More information will be coming and will be posted on google classroom.

4. Class T-Shirts

- We will be posting information on our google classroom and remind as soon as we have the sales open.
- Class t-shirts will need to be ordered the first week of September, so that we can have them by homecoming.

5. Google Classroom and Remind

- Google Classroom:
 - Anyone who is new to the district or is not in the google classroom, please be sure to join our class at the following code: **2uce2p2**
 - This is where we will be posting announcements regarding class events and any important information you may need.
- Remind:
 - We encourage ALL students and parents/guardians to sign up for class updates and reminders using Remind101.
 - Sign up here: <https://www.remind.com/join/shsco26> or Text the code @shsco26 to 81010
- These are very important for ALL students to sign up for due to the fact that the advisors are not in the building. This will open the path for communication of events, announcements and questions from advisors to students/parents/guardians and vice versa.

Please reach out to us by email, google classroom or remind if you have any questions. We hope that you all enjoy the remainder of your summer and we are excited to see you all in the fall.

Sincerely,

Mrs. Kristy Hankins
