From the Suprintendent's Desk...

Fall Message from Deborah D. Wicks

On behalf of our Smyrna School District Board of Education President Ron Eby, Vice President Vetra Evans-Gunter, and Board Members Kristi Lloyd, Scot Mc-Clymont and Chris Malec, our 659 employees and our 5,279 students, I am honored to welcome our community back to school on Monday, August 24,

The 2015-2016 school year will be an exciting one as we celebrate 132 years of Smyrna High School graduations with the Class of 2016. Our annual homecoming parade will be Friday, October 9, 2015, our "I Love the Smyrna School District" day will be Saturday, February 28, 2016, and our graduation will be early this year on Saturday, May 28, 2016 at 10 a.m.

As you may have noted while touring around the Smyrna School District many construction projects have taken place over this short summer vacation. Most notable is the Smyrna Elementary School renovations. With a new parking lot configuration, storm water management system, and new kitchen coming in October, the foundation has been started, but will not be completed by our opening day. New handicapped assessable bathrooms are in the works to be completed just in time for the students return. Sprinkler systems, new pipes down the hallways, new lighting and new drop in ceilings are also moving along. The project, under the able architectural firm of Fearn/Clendaniel and the construction firm of Ventrusca Brothers is now working 10-hour days and Saturdays to allow this project to proceed.

Also, under the watchful direction of the Fearn/Clendaniel Architectural Firm and local construction company of Kent Construction, John Bassett Moore Intermediate School is finishing up a new air-conditioning system in the library and a new handicapped and more secure office entrance. A new emergency generator and repaved bus lane will follow soon. The South Street monumental steps will take a month longer as the structure under the granite steps was full of surprises including a structure made of sand. Our beautiful old auditorium was repainted this summer by Snow's Painting and has regained its original splendor.

positive attitudes necessary to successfully adapt to and function in an ever-changing environment.

Sunnyside Elementary School, North Elementary School, and Clayton Elementary School all have been thoroughly cleaned and are ready for students and teachers. These able custodial crews will now help to finish other school projects slowed by summer construction.

Clayton Intermediate School has also been cleaned and polished ready for students and teachers. The new work there has been on the outside athletic fields adding sidewalks, fences, laying out sprinkler systems, field lines, and installing bleachers.

Smyrna Middle School's staff was busy with 22 days of the K-12 Summer Learning Academy. Now the custodial staff is very busy finishing their work for the first days of school. Later this fall the middle school will have a new card reader security system and updated security cameras.

Smyrna High School has a newly underground irrigated practice football field. No more dusty football practices this summer. The high school auditorium has been completely painted for the first time in its 40-year history also by Snow's Painting.

In the planning stages for this school year and for next summer are the beginning of renovations for Clayton Elementary, North Elementary School, the completion of renovations of Smyrna Elementary School, and JBM Intermediate School. The Thomas D. Clayton Building is also on the list for a total structural renovation that will close the building for a year.

The projects, large and small, that it takes to keep our eleven buildings updated and safe takes teamwork from all of our staff, students, parents, and community members. While the work is not easy, it is a blessing that we have the funding to do it.

A special thank you goes out to our legislators Senator Bruce Ennis, Senator John Lawson, Representative Bill Carson, Representative Jeff Spiegleman, and Representative Trey Paradee for helping the Smyrna School District with construction funds. They are our constant supporters. Also, a thank you to Levy Court President Brooks Banta, Smyrna Mayor Joanne Masten, and Clayton Mayor David Letterman for always being just a phone call away when we need assistance.

Year after year our school family has been blessed with the backing of our community as we continue our students' educational journey. Thank you, thank you, thank you.

Welcome to the 2015 - 2016 School Year!

Introducing Principal

Mrs. Stephanie McGuire

The staff at Clayton Elementary School would like to welcome our Clayton students and their families to another great school year. The administration, secretaries and custodial staff have been extremely busy this

summer preparing for the students' arrival on Monday, August 24. An entire new group of Kindergarteners have been registered, classes have been formed and a new schedule has been created. The custodial staff has done a wonderful job cleaning all of the classrooms, waxing the floors and painting many of the classroom walls. Several teachers have already been in their classrooms preparing for their new group of students. The entire Clayton Elementary staff will be excited, prepared and ready for opening

Once again, the Clayton Elementary staff would like to congratulate Mrs. Debbie Chadwick, former Clayton Principal, on her retirement. Mrs. Chadwick devoted 40 years to the Smyrna School District and she will surely be missed. However, we are pleased to announce that Mrs. Stephanie McGuire will be the new principal at Clayton Elementary School. Mrs. McGuire has been in ed-

ucation for 18 years. She came to the Smyrna School District in 2012 when she was hired as the Associate Principal at North Smyrna Elementary. We are excited to have her at the helm of our school and welcome her to the Clayton Elementary School staff and Clayton community.

CES PTO

Clayton Elementary needs volunteers to help out with our PTO. This is an organization that is very few in numbers but does a tremendous job in supporting the students and staff at Clayton Elementary. Meetings take place the second Monday of each month at 6:00 pm in the school library. Please find the time to help out this wonderful organization. We are looking forward to seeing you there!

Another exciting change for this school year is our newly renovated Computer Lab. The lab includes 30 student computers, a ceiling mounted projector, new countertops and chairs, and a teacher station. Teachers will be able to take their classes to the lab for classroom lessons, research, typing and testing.

Please be aware of the Smyrna School District Dress Code prior to the first day of school to ensure the students are dressed properly. Your child will be bringing home the CES Handbook on their first day of school. You are en-

couraged to take some time to read over the handbook in order to familiarize yourself with the school's procedures and policies. Feel free to contact Mrs. McGuire or Mr. Reed at any time if you have questions during the school year.

Finally, Clayton Elementary School's Motto is: Children First. It is our desire to provide a well-rounded educational program in which your child may learn and grow in a safe environment while maintaining a high standard of academic excellence. Parental support and participation is a key factor in accomplishing our goals. We encourage you to take an active role in your child's education. Jane D. Hull, former Governor of Arizona, says it best, "At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."

SMYRNA ELEMENTARY SCHOOL

Smyrna Elementary Principal's Fall Message

The administrative team at Smyrna Elementary School would like to welcome all new and returning families to the 2015/16 school year. As with the opening of every school year, the upcoming year promises to bring wonderful learning opportunities, excitement, and a variety of challenges that you've come to know and expect from Smyrna Elementary. Our teachers have been excitedly preparing their classrooms and honing their teaching strategies, while our customaintenance dians. and construction crews have worked hard to prepare our building for a safe new year. We all anxiously await the opportunity to develop a partnership in a positive learning environment with you and your child(ren) and we look forward to your active participation in our school functions and educational experiences.

This communication is designed to provide you with some important information related to the start of the school year. Attached you will find a welcome letter from your child's teacher and a supply list to help you prepare for the first day of school on Monday, August 24. Our staff will be ready at 8:30 am to guide your child(ren) to their classroom and to safely dismiss them at 3:30 pm.

You will receive detailed information regarding bus transportation within a couple of weeks. While some of you may prefer to transport your child to school on the first day, it would be beneficial for your child to arrive at school by the same means that they will normally come to school. This helps children learn their bus number and to become familiar with their driver. It will be easier for students and teachers to tran-

SCHOOL-AGE CHILD CARE PROGRAM

There will be <u>before-school care</u> available at Smyrna Elementary School. The name of the program is the *Breakfast Club*. The program will be operated by the staff of the Smyrna School District. Students may be dropped off as early as 7:15 a.m. The cost is \$2.50 per day (non-refundable), which must be paid in advance. Payments may be made to your child's school cafeteria, the District Child Nutrition Office, or online via *Nutrikids.com*. The students will receive breakfast during the time they are in the program, homework help, and supervised arts, crafts, and games. Applications for the program are available in the main office or at www.smyrna.k12.de.us under Child Nutrition.

The <u>after-school care</u> program will be available to students who attend Smyrna Elementary. The program is operated by the Boys and Girls Club of Delaware. The goal of the program is to provide a comprehensive childcare program after school hours for children ages 5-13 to meet the needs of working parents. The program will feature enhanced instructional strategies, life enhancing programs, plus character and value development experiences. These programs enhance the lives of the children they serve by developing their values, skills, and self-esteem. The hours of operation are from school dismissal until 6:00 p.m. A nutritious snack and drink will be provided each day. All children must become a member of the Smyrna/Clayton Boys & Girls Club. State Purchase of Care is accepted. Additional fees are required on school days off and half days. Registration information is available in the office.

STUDENTS WITH MEDICATION

All medications are to be delivered to the school nurse by a parent or guardian, in their original containers at the beginning of the day. Any student with medication (pills, cough syrup, etc.) not turned in to the nurse will be subject to disciplinary action. Parents are reminded that student preparedness for school is an important part of the potential for success. When students do not take the prescribed medications that they should, often their behaviors deteriorate and thus interfere with the instructional process. If these kinds of situations occur, parents/guardians will be contacted to clear up the problem. Repeated occurrences of these situations will result in appropriate measures so the educational process may proceed.

ATTENTION FAMILIES OF CAR-RIDERS & WALKERS TO & FROM SCHOOL

As we enter the final phases of capital improvement project here at Smyrna Elementary School, there will be continue to be no pick-up or drop off along School Lane or South Street. (For our returning families, we will follow the same procedures as we did for the final month of last school year.)

CAR RIDERS

Car-riders will use curbside drop-off (and pick-up) in the existing bus lane at the front of the school (near main office). Staff will be on hand to unload students directly from vehicles and to supervise children until it is time to enter the building (8:20). Students who eat breakfast at school will be allowed to enter at 8:10, as usual. *Parents need not park and get out of their cars. Parents should remain in their cars and follow the line and SES staff will supervise students entering the building.* Cars may enter the bus drop-off area from either direction along Kent Way.

Student pick-up will also occur in the current bus lane. Cars picking students up from school <u>must enter the driveway from the southwest</u> along Kent Way, move through the bus lane where students will be loaded into vehicles, and exit onto School Lane (see enclosed diagram of school property). Out of concern for student safety, there will be no student drop-off or pick-up along School Lane for the start of the school year, until further notice. Parents need <u>not</u> park and get out of their cars. Parents should remain in their cars and follow the line and SES staff will escort your student to your car.

WALKERS

Students who truly walk to and from school (escorted by parent or otherwise) will not be able to enter the school via South Street. Students will be able to enter the building nearest their respective classrooms, but must do so either via entrances on School Lane or the multiple entrances near the front office.

Walkers will be dismissed from the same area as car-riding students. As usual, they will check out with a staff member before leaving school grounds.

SUNNYSIDE ELEMENTARY SCHOOL

2015-16 School Year: Student Safety #1

We are pleased to add a few new safety measures to our school safety plan this year.

The car rider pick-up loop will close at 8:35 am and reopen at 3:00 pm. If you arrive after 8:35 am, your student is late; please report to the office to sign in your student. The start of the instructional day is 8:35 am. We will have a barricade up to stop any cars from going behind the building during the school day. This will allow our students to enjoy an extended area for recess, as well. At 3:00 pm the barricade will be removed. Please do not arrive until 3:00 pm each day. Car-riders are dismissed at 3:15 pm.

We have purchased a new check-in system from Raptor Technologies. The Raptor system scans licenses, military identification cards and other state issued identification cards to check-in visitors while simultaneously scanning the sex offender registry. Parents and visitors must bring their identification into the school the first time they are visiting for the 2015-16 school year so your profile can be entered into the system. Bringing that identification each time you visit will speed up the process. Visitor passes will print upon approval with your photo and the location you are visiting with a time and date stamp.

Please bear with us as we implement these new initiatives. As always, your students' safety is our number one concern.

Welcome to the 2015-2016 School Year!

Deborah Judy - Principal

We hope this letter finds you well-rested and prepared for the beginning of the new school year. Throughout the summer we have been thoroughly preparing for the arrival of your student(s) on August 24, 2015, the first day of school. Last school year was a great success. We hope you all had a chance to visit at one or more of our events. Sunnyside is the best because you all make the education of your children a top priority. We feel the support here and truly appreciate it.

After the school year begins, you will receive a student handbook and important forms to fill out and return to school. Please read the student handbook with your child and return the paperwork as soon as possible. New updates in policies and procedures are added each year and are very important. The information you provide will help us keep your students safe, in good health and our staff in constant communication

with you. If you have questions after reading the handbook information, please feel free to contact the school at 302-653-2808. Families may also view current school information on our school website at:

http://sse.smyrnak12.de.us

In closing and behalf of the SSES faculty and staff, we look forward to a new and rewarding school year. Enjoy the remainder of your summer!

eSchool Attendance is recorded for every class of the day

Student daily attendance will be based on the following:

- Absent 1 Period = full day present
- Absent 2 periods = half day absent
- Absent 3-4 periods = full day absent

The Attendance Review for semester and yearlong class credit will be determined using the total days Absent for each individual class. Student credits will be awarded or denied for each class individually.

Proper attire in the business world requires a certain standard of dress. The Smyrna High School Dress Code reflects the community desire to prepare our students for the work force they will enter shortly. Parents and students should keep this dress code in mind when shopping for school clothing. Clothing worn to school should not interfere with the educational process. Some highlights from the Dress Code are:

- Tops that suggest inappropriate messages or display pictures such as tobacco, drugs, alcohol, hate messages, expose the midriff or undergarments, halter-tops, fish-net tops, tank tops, and muscle shirts are not be worn to school.
- Oversized pants that sag below the waist or drag on the floor and pants that are extremely tight are not to be worn to school.
- Pajamas and clothing articles that replicate undergarments are not to be worn to school.
- Shorts, skirts, and dresses should not be worn if the length is in violation of the Dress Code.
- Hats, headbands, bandanas, earmuffs, goggles, and any other head coverings (unless required for religious purposes) are not permitted in school.
- Tights worn alone are unacceptable and must be covered by a skirt, pants, or shorts of an acceptable length. A long shirt worn over the tights is not acceptable.
- Versions of clothing such as see-through pants, jeggings, and yoga pants are not acceptable.

Parents and students should refer to the complete dress code pamphlet for further specific details.

Student Use of Personally Owned Electronic Devices

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. To encourage educational growth, students at Smyrna High School may now bring their own mobile device to campus. Student use of such devices in the classroom environment must be approved by a teacher or administrator. Any non-approved uses of such devices are subject to the Smyrna High School Code of Conduct. For the purposes of Personally Owned Electronic Device, "Device" means privately owned portable electronic equipment that includes smart phones or other portable devices (i.e. MP3 Player, electronic book, tablet, etc) that can be used for word processing, wireless Internet access, and information transmitting/receiving/storing, etc. The Smyrna School District will not provide any wireless or Ethernet connections for such devices. Hot Spots or mobile wireless access points are not permitted

Parking Policy & Traffic Flow

The Administration of Smyrna High School eagerly awaits the arrival of students for the 2015-16 school year. The east side of the building (Smyrna Side) is designated for student parking. Students who wish to drive to school will present their completed Application for Driving Permit with all supporting documents to Mrs. Sfamurri in the front office, along with the \$10 parking fee beginning on August 12, 2015. Only students that have completed their 6 month restricted driving process may purchase parking tags.

Students who owe an obligation will not be allowed to purchase a parking pass until the obligations are cleared through the main office.

Parking spots may not be reserved at any time. Seniors are permitted to purchase their parking tags on August 12, 13, and 14, from 8:00 AM - 3:00 PM. Juniors may purchase their parking tags on August 17, from 8:00 AM - 3:00 PM, and August 18, from 12:00 PM to 3:00 PM. All remaining students may purchase a parking tag beginning August 19, from 8:00 AM – 3:00 PM. All cars using the school parking lot must display the tag on the rear view mirror. Any car in the school parking lot that does not display the tag by the start of school on August, 31 will be subject to towing.

It is the position of the Smyrna High School Administration that driving to school is a privilege, tied to the Code of Conduct. Students who violate the Code of Conduct may have their driving privilege revoked. The Administration urges the students and parents to become familiar with the regulations associated with the driving privilege as indicated on the Application for Driving Per-

When entering the Smyrna High School property, all traffic must enter using the West side (Clayton Side entrance) and exit the property using the East side (Smyrna side exit). Please be mindful of the 15 MPH speed limit and yield to pedestrians crossing on their way to the building. No vehicles are permitted to park in the bus lane or to drop off or pick up students in front of the school between the hours of 7:00-7:30AM, and 2:15-2:45PM. The parent drop off is located on the Smyrna side of the building next to the entrance to the Auditorium lobby. Please follow the driving directions provided by the signs, cones, and school personnel in that area when dropping off a student in the morning.

Smyrna High Wins 2014-15 DIAA Sportsmanship Award.

Smyrna High School has been awarded the 2014-2015 DIAA Sportsmanship award. This is the third year in a row that the SHS Athletes and coaches have received this recognition.

The Delaware Interscholastic Athletic Association (DIAA) awards Middle and High Schools the Sportsmanship award based on ten rigorous requirements. The DIAA requires that the school create a portfolio, hold events, and involve the entire school community. Also, the DIAA Sportsmanship Committee seeks out feedback from members of the

media and the officials' associations.

Smyrna High School completed several events this year to earn this award. These events were carried out by coaches and athletes. The events included the Grinchapalooza 5K run in December, sponsoring a team in the Smyrna Relay for Life walk, participation in Blue-Gold DFRC activities, "My First Date" dance, hosting the University of Delaware's Blue Hens Downstate Day, and the "Super Fans" student section at home sporting events.

Giving Local School Boards More Control

State Representative Jeff Spiegelman is sponsoring legislation that would allow a local school board to delay new or changed rules, regulations, or administrative procedures from becoming effective during a school's fiscal year. Barring an emergency, House Bill 34 will allow the regulations to be consistent for that fiscal year. The idea came about as a result of discussions with members of the Smyrna School Board and Smyrna School District Superintendent Deborah Wicks. By the time the 2015 legislative session had adjourned at the end of June, the bill had passed the House and remained pending in the Senate.
