Fall Message from Deborah D. Wicks August 2016

On behalf of our Smyrna School District Board of Education President Vetra Evans-Gunter, Vice President Kristi Lloyd, and Board Members Scot McClymont, Chris Malec, and Kathryn O'Connell, our 712 employees and our 5,233 students, I am honored to welcome our community back to school on Monday, August 29, 2016.

The 2016-2017 school year will be an exciting one as we celebrate 133 years of Smyrna High School graduations with the Class of 2017. Our annual homecoming parade will be Friday, October 28, 2016, our "I Love the Smyrna School District" day will be Saturday, February 25, 2017, and our graduation will be on Saturday, June 3, 2017 at 10 a.m.

In the area of curriculum, we have a new Curriculum Director to our wonderful legislators. June Wicks and a new Curriculum Supervisor Ryan Buchanan. Our new director has encouraged all employees of the Smyrna School District to read "Mindset" The New Psychology of Success. The book speaks to the question, "How we can learn to fulfill our potential in parenting, business, school, and relationships", by Carol S. Dweck, PhD. This 250 page gem also asks, "Are you in a fixed mindset or growth mindset workplace? Do you feel people are just judging you or are they helping you develop? Are there ways you could be less defensive about your mistakes? Could you profit more from feedback you get? Are there ways you can create more learning experiences for yourself and for our students?" It further The projects, large and small, that it takes to keep our states to create a growth-mindset environment in which people can thrive involves:

- Presenting skills as learnable
- Conveying that the organization values learning and perseverance not just ready-made talent or
- Giving feedback in a way that promotes learning and future success
- Presenting employees and students as resources for learning who prize the development of ability

The book is filled with examples of people who believe that we can all cultivate our basic qualities and everyone can change and grow through application and experience. Author Carol Dweck believes that a person's true potential is unknown and unknowable, that it is impossible to foresee what can be accomplished with years of passion, toil, and training, and she shares many examples of perseverance and

growth by corporate leaders, athletes, teachers, etc. If you would like to check this book out yourself, each Smyra School District employee has a copy and each school will also have some books that can be checked out.

positive attitudes necessary to successfully adapt to and function in an ever-changing environment.

As you may have noted while touring around the Smyrna School District many construction projects have taken place over this short summer vacation. Sprinkler systems, new pipes down the hallways, new lighting, and new drop in ceilings are underway at Clayton Elementary and North Smyrna Elementary Schools. The project, under the able architectural firm of Fearn/Clendaniel is now working 10-hour days and Saturdays to allow these projects to proceed. Also, the Thomas D. Clayton Building remains closed for this school year as major structural renovations take place and John Bassett Moore had a new black-topped parking lot thanks

Smyrna High School, John Bassett Moore Intermediate School, Smyrna Elementary School, and Sunnyside Elementary School have been thoroughly cleaned by our custodians and are ready for students and teachers. These same able custodial crews will now help to finish other school projects slowed by summer construction. The Smyrna Middle School's custodial staff were busy with 22 days of the K-12 Summer Learning Academy. Now the middle school staff is finishing their work for the first days of school.

eleven buildings updated and safe takes teamwork from all of our staff, students, parents, and community members. While the work is not easy, it is a blessing that we have the funding to do it.

A special thank you goes out to our legislators Senator Bruce Ennis, Senator Dave Lawson, Representative Bill Carson, Representative Jeff Spiegleman, and Representative Trey Paradee for helping the Smyrna School District with construction funds. They are our constant supporters. Also, a thank you to Levy Court President Brooks Banta, Smyrna Mayor Joanne Masten, and Clayton Mayor David Letterman for always being just a phone call away when we need assistance.

Year after year our school family has been blessed with the backing of our community as we continue our students' educational journey. Thank you, thank you, thank you.

This school year, our younger students will look forward to recess time even more as we have purchased a new piece of playground equipment. A huge thank you goes out to our PTO officers, PTO members and CES families for helping us raise

enough money to purchase the new equipment. In just a few weeks, you should see a red & black "train" play set being put together in our playground.

Please be aware of the Smyrna School District Dress Code prior to the first day of school to ensure the students are dressed properly. The Smyrna School District Board of Education recently approved a few changes to the dress code. Additionally, your child will be bringing home the CES Handbook on their first day of school. You are encouraged to take some time to read over the handbook in order to familiarize yourself with the school's procedures and policies. Feel free to contact Mrs. McGuire or Mr. Reed at any time if you have questions during the school year.

Finally, Clayton Elementary School's Motto is: Children First. It is our desire to provide a well-rounded educational program in which your child may learn and grow in a safe environment while maintaining a high standard of academic excellence. Parental support and participation is a key factor in accomplishing our goals. We encourage you to take an active role in your child's education. "Parent involvement is like the frosting on a cupcake, it makes it complete and oh so sweet." - Author Unknown

Welcome Message from NSES Principal: Mrs. Kelly Holt

2016 - 2017 School Year

On Monday, August 29 North Smyrna's doors will open once again as we welcome back our returning students and eagerly meet and greet our new students for the start of a new school year. The North Smyrna staff is excited and prepared to teach and actively engage the minds of our little Smyrna Eagles each and every school day.

If you came to visit us this summer you saw many things happening here at school. Our construction has provided new plumbing, sprinklers in all classes, electrical updates, technology upgrades and improved handicapped accessibility. We are very excited about these upgrades and the services it provides for students.

Students and families will see a few new faces around the building this school year. North Smyrna is pleased to announce the following new staff members: Lindsay Graham- Three-Year-Old PreK; Isabel Moreno- Kindergarten Spanish Immersion; Mandi Baldwin- Gr 2-3 Comprehensive Learning Program; Denia Mota and Karrey Andrus- Comprehensive Learning Program Para-Professionals. Teresa Terhune and James Newlin- Library Para-Professionals.

The 2016-2017 school year is bound to be filled with new and exciting events and adventures. We are already planning our Smyrna Pride Spirit Week and monthly incentives.

Over the summer we have received a Wal-Mart grant which will provide students with more resources for home practice. Once the school year is underway we will send home more information.

North Smyrna will continue participating in the National School Lunch and School Breakfast Programs, Community Eligibility Provision. This provision was enacted as a result of the Healthy, Hunger-Free Kids Act of 2010 and provides universal meal service to students in schools/districts that qualify. All North Smyrna Elementary students will receive a nutritious breakfast and lunch at school at no charge.

Be sure to enjoy your remaining days of summer vacation. The start of school is just around the corner. Remember to come to our Visitation on Friday, August 26th at 2:00. Students, remember to bring in your Summer Reading Logs so that we can award prizes for all your hard work.

SMYRNA ELEMENTARY SCHOOL

Smyrna Elementary Principal & Assistant Principal's Message

Dear Smyrna Elementary Students and Families:

The administrative team at Smyrna Elementary School would like to welcome all new and returning families to the 2016/17 school year. As with the opening of every school year, the upcoming year promises to bring wonderful learning opportunities, excitement, and a variety of challenge. Our teachers have been excitedly preparing their classrooms and honing their teaching strategies, while our custodians and maintenance crews have worked hard to prepare our building for a safe new year. We all anxiously await the opportunity to develop a partnership in a positive learning environment with you and your child(ren) and we look forward to your active participation in our school functions and educational experiences.

Our new families at all grade levels are invited to visit their classroom on Friday, August 26 from 10:00 A.M. to 12:00 P.M. The purpose of this visit is to help our new students to transition to the school year by having an opportunity to meet their teacher and see their classroom. While Kindergarten students are visiting their classroom, please be sure to pick up your child's bus identification card. It is imperative that your child wears this tag each day during the first two (2) weeks of school.

An adults-only Open House will be held for parents of all students on Wednesday, August 31. We encourage you to attend this informational evening. We will begin in the gymnasium for opening remarks from building and district-level administration and staff. General classroom sessions will follow with your child's teacher. After the informational session, families may explore the various areas of the building or visit with another child's teacher. Additionally, the school nurse, related arts teachers, guidance counselor, and cafeteria manager will also be available to answer questions. This is an opportunity to introduce and familiarize yourself with the new classroom and grade level expectations.

Two-way communication is the key to a successful school year. If you have any questions or need clarification on anything, please do not hesitate to contact the school. We look forward to a successful school year with you and your child.

Katherine N. Wood Assoc. Principal

SUNNYSIDE ELEMENTARY SCHOOL

Continuing for the 2016-17 School Year

We are pleased to continue a few new safety measures to our school safety plan this year.

- The car rider pick-up loop will close at 8:35 am and reopen at 3:00 pm. If you arrive after 8:35 am, please report to the office to sign in your student. as 8:35 am is the start of the instructional day and your student is late. We will have a barricade up to stop any cars from going behind the building during the school day. This will allow our students to enjoy an extended area for recess, as well. At 3:00 pm the barricade will be removed. Please do not arrive until 3:00 pm each day. Car-riders are dismissed at 3:15 pm.
- We have purchased a new check-in system from Raptor technologies. The Raptor system scans licenses, military identification cards and other state issued identification cards to check-in visitors while simultaneously scanning the sex offender registry. Parents and visitors must bring their identification into the school the first time they are visiting so your profile can be entered into the system. If your identification was scanned during the 2015-16 school year, that information remains in the system. Visitor passes will print upon approval with your photo and the location you are visiting with a time and date stamp.

My name is Brooke Matthes and I am very excited to be joining the John Bassett Moore family as a Para Professional. I spent my first two years with the

Smyrna School District in the Child Nutrition Program and will greatly miss them.

In my spare time I enjoy spending time outdoors with my family and animals. My children Logan, Lisa, and Jonah are all proud Eagles.

I am looking forward to a great school year and my contribution to the JBM team.

Shayla Evans is a recent graduate of Shepherd University with a Bachelor of Arts in Elementary Education and a lifelong resident of Smyrna Delaware. She is very excited to

begin her new journey teaching 5th grade and being a part of the wonderful JBM staff.

Hi! I'm Lori Glass and I'm the new school psychologist for JBM and Smyrna Elementary. I am so ex-

cited to join the teams at these two great schools! I look forward to helping the students thrive academically, behaviorally, and social-emotionally. I'm a Delaware native, having lived upstate since 3rd grade. I received my Bachelor of Arts from the University of Delaware in Psychology. I also attended UD for graduate school, where I earned my Masters of Arts and Educational Specialist degrees in School Psychology. In my free time, I enjoy theater, listening to music (especially from the 1980s), and traveling.

FREE LUNCH And More

JBM will continue participating in the National School Lunch and School Breakfast Programs, Community Eligibility Provision. This provision was enacted as a result of the Healthy, Hunger-Free Kids Act of 2010 and provides universal meal service to students in schools/districts that qualify. All JBM students will receive a nutritious breakfast and lunch at school at no charge.

Hi, my name is Lauren Hinkle and I am one of the new additions to JBM Intermediate School. I am thrilled to be teaching 6th grade ELA and Social Studies this school year. I am from Smyrna. DE and a

I received my Bachelor's Degree from University of Delaware in 2013, and recently graduated from Wilmington University with a Master's Degree in Elementary Studies and obtained Special Education Certification in May 2016. I spent the past two years at Providence Creek Academy, where I taught 4th and 5th grade. I am very excited to begin a career with the Smyrna School District and look forward to a successful school year with the amazing staff and students at IBMI

New Technology throughout the District

Smyrna Technology has been working with a number of schools to install 3D printers. These amazing new printers will be used to teach students off all grades technology ideas such as architectural design, spacial engineering, and Computer Aided Drafting. These printers have been installed at Sunnyside Elementary, John Bassett Moore Intermediate, Smyrna Middle, and Smyrna High Schools.

Each school has been upgraded from 10mg bandwidth to 100mg bandwidth.

This upgrade was provided to improve new testing methods which reguire students to connect to remote Internet sites. Implementation was completed earlier in the year in time for the 2015 school year testing, resulting in great success.

Finally, Technology is in the middle of a project to provide wi-fi to each classroom. This technology will allow more devices to be used in each room that are mobile, including laptops, iPads, Chromebooks, and other smart devices.

WELCOME TO SMYRNA MIDDLE SCHOOL

We want to welcome all of our families and students to Smyrna Middle School as we prepare for another exciting year in 2016-2017. We have been busy all summer ordering new materials, preparing our classrooms, and designing academic programs, all in an effort to make the coming school year another successful learning experience. Our custodians have cleaned, polished, and re-assembled our classrooms so that they are first-rate and ready to go. Our office staff have ordered the necessary supplies, compiled handbooks, and registered all of our students. Our teachers have taught the summer learning academy, completed additional training and courses, and/or revised their curriculum in an effort to provide quality instruction for our families. We would like to welcome two new staff members to Smyrna Middle School, Jeanette Stewart and Whitney Jennings-Irwin. Both will be joining Smyrna Middle School as language arts teachers. Indeed, everyone at Smyrna Middle School eagerly awaits the arrival of our students and the beginning of the 2016-2017 academic year on August 29th, 2016. Please mark your calendars for our annual Open House on Wednesday, August 24th, beginning at 6:00 p.m. Be sure to stay updated with the latest information using our web site http://sms.smyrna.k12.de.us/.

SMYRNA HIGH SCHOOL

DRESS CODE

In September 2012, the Smyrna School District Board of Education approved a new universal school dress code.

The new code was the result of a dress code committee studying the issues of uniforms and/or a stricter dress code.

In June 2012, the committee sent out a dress code survey to each parent. Once again, there was no clear mandate for uniforms but from the many comments a universal dress code policy for the district continues to be an important goal.

Students of the Smyrna High School Principal's Advisory Committee recommended changes in the dress code. Changes were approved by the Smyrna School District Board of Education in June 2016.

The updated dress code is present in this brochure.

Studies have shown a positive relationship between students' concern for their appearance and their concern for their education. The same is true in regard to good appearance and manners. Students have the responsibility to wear clothing that is non-provocative and clean. In June 1995, Delaware Governor Carper signed House Bill 76 that allows school districts to enforce dress codes.

The following clothing is acceptable:

Acceptable Pants/Shorts & Skirts:

- Worn such that skin or undergarment at the waistline is not visible
- No rips or holes that expose the students' skin above the knee
- Skirts, dresses, and shorts which have no part of the
- garment shorter than two inches above the top of the knee
 Opaque leggings and yoga pants that do not reveal skin or undergarments are acceptable

Acceptable Tops:

- Do not display profane or vulgar messages
- Do not promote violence, sex, drugs, or alcohol
- Fully covers the midriff area front and back at all times
- Fully covers the shoulders with no exaggerated necklines or arm opening
- Are not see-through or versions of mesh see-through shirts/tops

Hats and Headgear:

- Are not to be worn in school with the exception of documented religious or medical reasons
- Hoods attached to tops may not be worn on one's head

Other

- Visual body piercings of any kind, except for earrings on ears, is prohibited
- Spiked jewelry and chains are prohibited for safety reasons
- Gang logos, emblems, or other items that identify a student as a part of a gang are prohibited.
- Clothing such as see-through pants and "loungewear" such as pajamas, sleepwear, or slippers are unacceptable.

Disregard of the Smyrna School District Dress Code will result in the following action:

Students who choose not to comply with this dress code will be sent home for the day and marked absent. The absence will be included in the total absences for the school year. Any repeat offenses may be considered defiance of authority.

We appreciate your continuing support in this effort to enforce the universal Smyrna School District Dress Code.

Monday August 29, 2016 is the first student day of school in the Smyrna School District. However, students in 10th through 12th grades will start on Tuesday, August 30, 2016.

To ensure that your child will be assigned to the correct bus at the correct location, please contact the school he/she will be attending by Tuesday August 16, 2016, with any changes in daycare location, contact numbers, or your 911 address. Currently, your child is assigned to his/her bus route based on last year's student information. If your child attended the Summer Learning Academy and the transportation address changed, you must call your child's school to correct the address to prevent delayed bus transportation.

Thank you as always for your support of the Smyrna School District.

School Messenger!

Using the School Messenger notification and calling system, the Smyrna School District will hold a practice call-

> ing session at 7:00 pm, on Monday, October 3, 2016.

Delaware Department of Education Tobacco Regulation 877 prohibits the use and distribution of tobacco products by all staff, students, visitors, and parents in school buildings, on school grounds, in school leased or owned vehicles and property, and all school affiliated functions, on and off school grounds. Tobacco Regulation 877 means a healthier, safer school environment for everyone.

COMMUNITY NOTIFICATION OF SEX OFFENDERS

While community notification of sex offenders is the responsibility of local law enforcement, the Smyrna School District believes it has an appropriate role to play in improving community awareness of the potential threat posed by sex offenders. This includes a responsibility to educate our students about personal safety and to let you know when an offender is living in our district or has enrolled in public school. Each of our schools and the district office has this information in a binder available for your review.

NOTICE OF FERPA RIGHTS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age the following rights:

Inspection

You may inspect the student's education records within 45 days of the day the District receives a request for access. You should submit to the Principal a written request identifying the record(s) you wish to inspect. The Principal will notify you of the time and place of inspection.

Amendment

If you believe education records are inaccurate, you may request the records be amended. Such a request must be in writing, and directed to the Principal. The request must identify the part of the record you want changed, and specify why it is inaccurate. If the District denies your request, the District will notify you of the decision, advise of the right to a hearing, and provide the hearing procedures.

Consent

You have the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA au-

Upon request, the District will disclose education records without consent to officials of another district in which a student seeks or intends to enroll.

Complaint

You may file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA are:
