## From the Superintendent's Desk...

Message from Mr. Patrik D. Williams

On behalf of our Smyrna School District Board of Education President Kristi Lloyd, Vice President Scot McClymont, and Board Members Chris Malec, Kathryn O'Connell and Vetra Evans-Gunter, our 720 employees and our 5,300 students, I am honored to welcome our community back to school on Monday, August 28, 2017.

The 2017/2018 school year will be an exciting one as we celebrate 134 years of Smyrna High School graduations with the Class of 2018. Our annual homecoming parade will be Friday, October 13, 2017, our "I Love the Smyrna School District Day" will be Saturday, February 24, 2018, and our graduation will be on Saturday, June 2, 2018 at 10 a.m.

This past summer marked the grand opening of our new Thomas D. Clayton Building, which houses Transportation, Maintenance and Special Services. The project, completed under the guidance of the Fearn/Clendaniel Architectural Firm, culminated on July 22, 2017, with a wonderful dedication attended by many of our community leaders and supporters. Thanks to the hard work by Ventresca Brothers, Inc. who completely renovated the Thomas D. Clayton Building, as well as the countless hours of work by our own custodial and maintenance staff, this new building is a sight to behold.

Additionally, the Smyrna High School auditorium underwent comprehensive renovations to improve the lighting and overall ambience in an effort to enhance the theater experience for all of our school performers and our audience members. We are excited to host our first event in this improved setting, and we know that our community will be delighted with the results. All of our eight schools have been thoroughly cleaned by our custodians and are ready for students and teachers. Our maintenance and technology teams have also been working long days to ensure that our facilities are ready to open the school year.

For our families who attended Sunnyside Elementary School last year but have been affected by the attendance zone change to Clayton Elementary School this year, we are pleased to provide a one-year bus option. Those who reside in either Huntington Mills or Providence Crossing but have Chociced to remain at Sunnyside may pick up a bus at a community stop. This Choice bus will be provided only for the 2017/2018 school year, and it is primarily for students who are moving on to fourth grade at Sunnyside. There will be one bus stop on Tracer Drive, located at the sign that separates the two neighborhoods. The appointed bus is #37, and pick-up time will be approximately 7:55 a.m., while drop off time will be approximately 3:45 or 3:50 p.m. All registered families must arrive at Tracer Drive no later than ten minutes prior to pick-up and drop-off. Any family residing in Hunting Mills or Providence Crossing who wishes to utilize this bus service for the 2017/18 school year, needed to contact Mrs. Lori Maugle at 302-653-3142 no later than Monday, August 14, 2017, to make the necessary arrangements. All students riding the Choice bus must be registered to ride.

A special thank you goes out to our legislators Senator Bruce Ennis, Senator Dave Lawson, Representative Bill Carson, Representative Jeff Spiegelman, and Representative Trey Paradee for their continuous support of the Smyrna School District. Their unwavering dedication to our community and our schools improves the quality of life for all. Also, we wish to thank Levy Court President Brooks Banta, Smyrna Mayor John Embert, and Clayton Mayor David Letterman for being just a phone call away when we need their help.

As we all gear up for the start of what promises to be yet another exciting school year in the Smyrna School District, I wish to thank our community, our staff, and our families for their commitment to our students. #EagleUp.

## Smyrna School District 2017 Teacher of the Year Ms. Denise Boyles

Denise Boyles is a graduate of Smyrna High School, class of 1998. She earned her graduate and undergraduate degrees from Wilmington University between 2005 and 2008.

Denise has been teaching in the Smyrna School District for five and 1/2 years. She joined Smyrna Middle School in January 2012 teaching 7th grade Mathematics and Technology in Mathematics. In 2013, she looped with those 7th grade students as their 8th grade math teacher and currently holds that position.

When you visit Mrs. Boyles' classroom you will see middle school students engaged in a cooperative learning experience managed through student-led stations. Her students thrive in flexible learning groups, as one student mentioned, "I like math class because of the freedom we have in our learning, Mrs. Boyles is here to help us but we are responsible for the work." Mrs. Boyles has a positive approach to teaching math, students will say, "I haven't really ever liked math, but I'll work for Mrs. Boyles because she cares a lot about me". Mrs. Boyles values a strong rapport of communication with staff, students and parents. She enjoys conversation and always has a smile on her face.

Denise is also involved in volunteer work; she is a member of the Smyrna Church of Christ, where she teaches junior church. She also facilitates activities of support and outreach within Kent County for the Down Syndrome Association of Delaware.

Denise and her husband Chris have been married for eight years, they reside in Clayton with their son Garrett.

Principal Katherine Wood and Associate Principal, Michael Daws

Welcome to the 2017-2018 school year! Soon school buses will be arriving, the sparkling hallways will be filled with excitement and joy to see old and new friends, and students will be heading to their new classrooms to meet their teacher and find their fresh desks to begin a year of learning opportunities.

In preparation for this exciting new year a lot has happened over the summer. The custodial crew has worked diligently cleaning classrooms and waxing floors, the outside grounds have been attended to, curricular materials have been prepared, teachers have participated in a variety of professional development offerings, and a new administrative team has joined Clayton Elementary School.

While not brand new to Clayton Elementary School, due to joining the staff as Associate Principal in March 2017, I have not had the opportunity to officially introduce myself. Prior to having the opportunity to serve Clayton Elementary School, I was the Associate Principal at Smyrna Elementary. I have also served the Smyrna School District as the Instructional Technology Specialist where I worked in each of the schools within the district to serve the classroom technology needs of teachers and students. I began my career as an educator in the Smyrna School District at John Bassett Moore Middle School and continued teaching eighth grade at the "new" Smyrna Middle School. My various roles throughout the district have offered me a unique perspective of the abundant blessings the Smyrna School District has to offer.

**CES PTO**

Clayton Elementary needs volunteers to help out with our PTO. This is an organization that is very few in numbers but does a tremendous job in supporting the students and staff at Clayton Elementary. We welcome new people with new ideas. The position of Vice President is still open. If anyone is interested, please attend the first meeting. Meetings take place the 2nd Monday of each month at 6:00 pm in the school library. Please find the time to help out this wonderful organization. We are looking forward to seeing you there!

**2017 - 2018 School Year**

On Monday, August 28 North Smyrna's doors will open once again as we welcome back our returning students and eagerly meet and greet our new students in kindergarten through fourth grade for the start of a new school year. The North

Smyrna staff is excited and prepared to teach and actively engage the minds of our little Smyrna Eagles each and every school day. Our PreK program will be starting for students on Tuesday, September 5.

Students and families will see a few new faces around the building this school year. North Smyrna is pleased to announce the following new staff members: Megan Vannoy- Comprehensive Learning Program, Jennifer Immediato- Cafeteria Manager; Denia Mota- 1st grade Spanish Immersion Teacher, Tammy Morris - Comprehensive Learning Program Paraprofessional, Diana Mora, Spanish Paraprofessional, Kim Zwissler, Occupational Therapy, and Mary Kate Koziol, Speech.

The 2017 – 2018 school year is bound to be filled with new and exciting events and adventures. We are already planning our Smyrna Pride Spirit incentives as well as school-wide events and monthly themes to recognize and thank our community helpers.

We will again be participating in One School One Book this year. We have selected three fun books about kids for this year.

North Smyrna will continue participating in the National School Lunch and School Breakfast Programs, Community Eligibility Provision. This provision was enacted as a result of the Healthy, Hunger-Free Kids Act of 2010 and provides universal meal service to students in schools/districts that qualify. All North Smyrna Elementary students will receive a nutritious breakfast and lunch at school at no charge.

Be sure to enjoy your remaining days of summer vacation. The start of school is just around the corner. Remember to come to our Visitation on Thursday, August 24 at 2:00pm. The administrative team at Smyrna Elementary School would like to welcome all new and returning families to the 2017/18 school year. As with the opening of every school year, the upcoming year promises to bring wonderful learning opportunities, excitement, and a variety of challenges that you've come to know and expect from Smyrna Elementary. Our teachers have been excitedly preparing their classrooms and honing their teaching strategies, while our custodians and maintenance crews have worked hard to prepare our building for a safe new year.

This communication is designed to provide you with some important information related to the start of the school year. Attached you will find a welcome letter from your child's teacher and a supply list to help you prepare for the first day of school on Monday, August 28. Our staff will be ready at 8:20 A.M. to guide your child(ren) to their classroom and to safely dismiss them at 3:30 P.M.

Our new families at all grade levels are invited to visit their classroom on Thursday, August 24 from 1:30 P.M. to 3:30 P.M. The purpose of this visit is to help our new students to transition to the school year by having an opportunity to meet their teacher and see their classroom. This is an informal visit with no set timeline, although we do ask that all visitors exit the building by 3:30 P.M. as our teachers will still have a lot to do to prepare for the first day of school, including one final staff meeting that afternoon. While Kindergarten students are visiting their classroom, please be sure to pick up your child's bus identification card. It is imperative that your child wears this tag each day during the first two (2) weeks of school.

Our annual Open House will be held for parents of all students on Wednesday, August 30. We encourage you to attend this informational evening. We will begin in the gymnasium for opening remarks from building and district-level administration and staff. General classroom sessions will follow with your child's teacher. After the informational session, families may familiarize themselves with the building or visit with another child's teacher. Additionally, the school nurse, related arts teachers, guidance counselor and cafeteria manager will also be available to answer questions. This is an opportunity to introduce and familiarize yourself with the new classroom and grade level expectations. Please note, teachers will not be available for parent-teacher conferences, but will be happy to work with you to schedule a meeting for a later time if needed. More information will be sent home on the first day of school with specific details regarding our annual Open House.

Two-way communication is the key to a successful school year. If you have any questions or need clarification on anything, please do not hesitate to contact the school. We look forward to a successful school year with you and your child.

**A message from school nurse: Michele Bonsignore, BSN, RN**

Notify the nurse if your student has any medical concerns, or needs special care during the day, such as: medications, treatments or monitoring. All medications that need to be given in school must have a prescription label and be brought into the nurse's office by a responsible adult.

Emergency cards will be sent home the first day of school, please fill them out and return to school promptly. Please remember to update the emergency cards if your information changes.

Please don't hesitate to call me with any concerns. My office number is 302-659-6286.

Principal John Camponelli

We hope that you have had an amazing summer. We have been gearing up for the arrival of our students on Monday, August 28, our first day of school. We wish our prior Principal, Mrs. Deborah Judy, the very best as she has moved to be the Assistant Superintendent of Schools for the Smyrna School District. She will continue to be very active in our community and will certainly continue to be an active member of our

**Sunnyside family.**

Having spent years as an administrator in the Smyrna School District, I am honored to carry on the greatness at Sunnyside Elementary School as Principal. I have already begun meeting the great staff here at Sunnyside, and am looking forward to meeting our students and families throughout the start of our 2017-2018 school year.

As soon as I started at Sunnyside, I began to admire how our staff lives the Smyrna School District Core Values of Compassion, Integrity, Perseverance, Respect and Responsibility. Together with our Sunnyside families, we will work together as a team in the elementary foundation of our students' education. We graciously appreciate your support, and look forward to working with you.

Your student's teacher has sent a letter with lots of great information to acquaint you and your student with their classroom. After the school year begins, you will receive a student handbook and important forms to fill out and return to school. Please read the student handbook with your students and return the important paperwork as soon as possible. There are always updates in policies and procedures each year and the information that is sent home is very important. We need the most up-to-date contact information to be able to communicate openly. If you have questions after reading the enclosed information, please feel free to contact the school at 302-653-2808. Families may also view current school information on our school website at <http://sse.smyrnak12.org/index.jsp>. Enjoy the rest of your summer! We look forward to hitting the ground running as we start a new and rewarding school year. #EAGLEUP!

**Quick Notes as We Begin the 2017-2018 School Year**

We are pleased to continue certain safety measures to our School Safety Plan this year.

The car rider pick-up loop will close at 8:35AM and will re-open at 3:00PM. If you arrive after 8:35AM, please report to the main office to sign-in your student. 8:35AM is the start of the instructional day. In an interest of safety for all students, we will have a barricade up to stop any cars from going behind the building during the school day. This will allow our students to enjoy an extended area for recess, as well. At 3:00PM the barricade will be removed. Please do not arrive until 3:00PM each day to pick up your child. Car-riders are dismissed at 3:15pm, and the system runs very smoothly!

When coming into the school, please have your photo ID available. We have our check-in system from Raptor Technologies. The Raptor system scans licenses, military identification cards and other state issued identification cards to check-in visitors while simultaneously scanning the sex offender registry. Parents and visitors must bring their identification into the school the first time they are visiting so your profile can be entered into the system. Visitor passes will print upon approval with your photo and the location you are visiting with a time and date stamp.

Hello, my name is Dawn Slaney and I am thrilled to be joining the John Bassett Moore family as a para-professional.

I have been with the Smyrna School District for the past three years in the Child Nutrition Department and will greatly miss them. In my spare time I enjoy watching my two girls, Emily and Kaitlyn play softball. I love being a part of the Smyrna community. I am looking forward to a great school year with the JBM team.

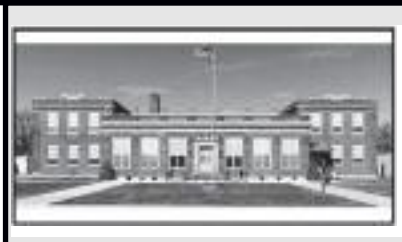

Rachel Uffner moved to Delaware from Glens Falls, NY. She received

her Associates Degree from Adirondack Community College, and proceeded to work as a Residential Counselor for children with special needs, and later became a Residential Specialist. Passionate about family, Rachel met her husband Jeff Uffner, and amazing stepchildren Jeffrey and Morgan Uffner. Later having a son Jacob Uffner. Continuing her focus on family, she became a stay at home mom. As a family they enjoy spending their time together on their lake property in the Adirondack Mountains, hiking, fishing, and just spending lazy days by the lake. With her youngest son Jacob growing faster than one could imagine, and now entering Smyrna High School, she began to continue her career outside the home, and within the home of the Smyrna School District. She was excited to be accepted into the Smyrna School District family within the Child Nutrition Program, and later as a Paraprofessional. Beginning this journey at Smyrna Elementary, and now moving to JBM, Rachel is eager to continue her career as a Paraprofessional, and with the JBM family!

Hello! My name is Sarah Ashcraft and I live in Smyrna with my two children, my husband, and two dogs. I moved to Delaware three years ago from California and have loved raising my family here. I am a recent graduate of Wilmington University and am looking forward to beginning my teaching career at John Bassett Moore! I spent my student teaching experience here, and love JBM and felt so at home and part of a family there. In my spare time I love to read, spend time with my family, and hiking and camping and going to the beach. I hope everyone has an amazing 2017-2018 school year!

**FFA SHINES AT 98th ANNUAL DELAWARE STATE FAIR**

**HARRINGTON, DE**— It was another record setting year, as the Smyrna FFA Chapter brought home a variety of awards and ribbons after having a successful showing at the 98th Annual Delaware State Fair, with numerous recognitions being presented at the Delaware FFA Awards Breakfast held on July 28.

**Summer Winners & School Awards**

A variety of individuals and teams were recognized at the Delaware State Fairgrounds for their outstanding performances throughout the summer months leading up to the awards breakfast.

Six members of the Smyrna High School FFA were 1st Place winners in the AgriScience Fair competition, which showcased scientific skills and analysis in the areas of agricultural research. These scientific members included: Jessica Bergold, Skylar Campanicki, Abby Conway, Taylor Davis, Heather Fletcher, and Marissa McClenton. Kathryn Emerson also placed second in AgriScience Fair competition. Jessica Bergold and Marissa McClenton were named overall winners of the AgriScience Fair and will represent Delaware in regional competition this fall.

The Smyrna FFA Agricultural Issues team with their topic, "What's The Buzz: Why Are Honey Bees Disappearing" placed 1st with team members including: Abby Conway, Ashley Daniels, Heather Fletcher, Addy Simmons, and Delaney Tome. Their forum now qualifies them to compete at the National FFA Convention in Indianapolis, Indiana in October.

Smyrna High School was also able to capture the State Agricultural Mechanics CDE Title with team members: Grant Dinsmore, Nick Lewis, and Nathan Metts as they were able to test their knowledge and skills in small engine troubleshooting, land surveying and welding. Their victory also ensures further competition later this year in Indianapolis.

The top honors continued at the Delaware State Fair with Jenna Anderson, Kathryn Emerson, Trey Thompson and Raelyn Wiley obtaining the Horse Evaluation CDE State Championship, after judging six classes of equine, completing a team test and delivering two sets of oral reasons. Individual results included: Jenna Anderson placing 1st, Trey Thompson placing 5th, Kathryn Emerson placing 8th and Raelyn Wiley placing 14th. The Horse CDE was the last opportunity at the State Fair for these members to earn their way to the National FFA Convention in October.

Kaylee Dulin and Jayden Dixon represented Smyrna FFA in the Dairy Showmanship event. The event demonstrated their skills and awareness in the show ring when working with dairy cattle. Dulin placing 2nd and Dixon placing 4th individually guaranteed both members a trip to compete regionally in September at the Eastern States Exposition in Springfield, MA to further showcase their animal handling skills.

Taylor Davis and George Class-Peters drove their way to 6th and 9th place respectively in the Safe Tractor Operation CDE, by operating machinery, tractors along with maneuvering two and four wheel wagons against other statewide competitors in a course designed to test speed, accuracy and safety around obstacles.

The Forestry team of Rebecca Calderon, Taylor Davis, Kasey Euren, and Josh Johnson placed 3rd in team competition held at Brecknock Park in Camden, with individual honors going to Rebecca Calderon for 6th place and Kasey Euren for placing 10th in an event that evaluated tree species, diseases, equipment and land surveying.

Earlier this spring, four members of the chapter placed 2nd as a team in the FFA portion of the Delaware Envirothon competition, earning the chance to compete at the Eastern States Exposition in Massachusetts. These environmental science students included: Jenna Anderson, Jimmy Latavitz, Karla Pagan, and Justin Stafford.

The Farm Business Management team placed 1st and qualified for the National FFA Convention with team members: Cassidy Cook, George Class-Peters, Erica Malloy and Erin Smallwood.

**FFA Fair Exhibits**

The Smyrna FFA Chapter for a record setting fifth year in a row delivered a blue ribbon performance, in the Delaware Agricultural Products Display competition with its "Special Delivery" mail theme. The display constructed by Skylar Campanicki and Taylor Davis will be featured at the National FFA Convention's Hall of States exhibition in Indianapolis, Indiana. During the State Fair, the display was also viewed by the USDA Secretary of Agriculture, Sonny Perdue and Delaware's U.S. Senators & Congresswoman. The special agricultural visit was arranged by Smyrna Alumni and current Delaware Secretary of Agriculture, Michael Scuse.

The Smyrna FFA also exhibited a display in the educational category of Animal science entitled, "Animal Diseases: What's In Your Barn?" and it received a 3rd place ribbon.

When it came to growing, designing, harvesting or building fair exhibits, there were a number of Smyrna High School FFA members who supplied competitive entries. This year the Smyrna AgriScience Program and its members were able to receive a "fair amount" in judging premiums awarded by the Delaware State Fair. Premium ribbon winners included:

The Smyrna FFA Chapter was founded in 1976 and makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through Agricultural Education. The chapter is under the direction of FFA Advisors: Keith Shane, Jay Davis, Sarah Bell, and Kellie Michaud.

**JBM Transportation Rules**

For supervision purposes please do not drop-off and leave students prior to 8:15 am – our staff members assume their duty positions at this time. If your son or daughter is a walker please assist us with reinforcement of this request.

Transportation letters will be mailed to all parents with all pertinent information, in the week prior to school starting. If you have questions about your child's bus stop location or pick-up times please feel free to contact the Transportation Office at (302)653-3142.

For all students who are transported to or from JBM by automobile, either before the start of school or at the end of the school day, we have designated the northeastern end of the building as the drop-off/pick-up location. This section of the building faces the Christiana Care facility and the Public Library/Opera House parking lot. We have received permission to use the Smyrna Public Library parking lot during AM drop-off and PM pick-up. Parents may use the public parking lot for school transportation purposes as long as they do not "park and go" or leave their automobile for an extended period of time. Also, please do not park in any spaces reserved for Smyrna Public Library or Smyrna Opera House employees.

All Walkers will also gather at this location prior to entering the school at 8:20 am and exit this stairwell at 3:27pm.

All vehicle access to JBM via Frazier Street will be denied due to bussing. Frazier Street is the road that runs between JBM and the detached gymnasium.

**WELCOME TO SMYRNA MIDDLE SCHOOL**

We want to welcome all of our families and students to Smyrna Middle School as we prepare for another exciting year in 2017-2018. We have been busy all summer ordering new materials, preparing our classrooms, and designing academic programs, all in an effort to make the coming school year another successful learning experience. Our custodians have cleaned, polished, and re-assembled our classrooms so that they are first-rate and ready to go. Our office staff have ordered the necessary supplies, compiled handbooks, and registered all of our students. Our summer learning academy has concluded and many of our staff have been involved in additional training and courses, and/or revising their curriculum in an effort to provide quality instruction for our students. We would like to welcome several new staff members to Smyrna Middle School, Shelby Bledsoe, Harold Scott, Nicole Lewis, Stephanie Fay, and Samantha George. They will be joining our Smyrna Middle School language arts, social studies, and health programs. Indeed, everyone at Smyrna Middle School eagerly awaits the arrival of our students and the beginning of the 2017-2018 academic year on August 28th, 2017. Please mark your calendars for our annual Open House on Thursday, August 24th, beginning at 6:00 p.m. Before that, we invite all new students to Smyrna Middle School on August 17th at 1:00PM for our annual orientation to take an informal tour around the school. Be sure to stay updated with the latest information using our web site <http://sms.smyrna.k12.de.us/>.

**SMYRNA HIGH SCHOOL PARKING POLICY/TRAFFIC FLOW**

The Administration of Smyrna High School eagerly awaits the arrival of students for the 2017-18 school year. The east side of the building (Smyrna Side) is designated for student parking. Students who wish to drive to school will present their completed Application for Parking Permit with all supporting documents to Ms. Bryan in the front office, along with the \$10 parking fee beginning on August 16, 2017. Only students that have completed their 6 month restricted driving process may purchase parking tags. Students who owe an obligation will not be allowed to purchase a parking pass until the obligations are cleared. Parking spots may not be reserved at any time. Seniors are permitted to purchase their parking tags starting on August 16th from 9:00 AM – 3:00 PM. Juniors may purchase their parking tags starting on August 17th from 8:00 AM – 3:00 PM. All remaining students may purchase a parking tag beginning August 18th from 8:00 AM – 3:00 PM. Please note that the main office will be closed on August 23rd from 7:30 AM – 1:00 PM for a district-wide meeting.

All cars using the school parking lot must display the tag on the rear view mirror. Any car in the school parking lot that does not display the tag by the start of school on September 5th will be subject to towing. It is the position of the Smyrna High School Administration that driving to school is a privilege, tied to the Code of Conduct. Students who violate the Code of Conduct may have their driving privilege revoked. The Administration urges the students and parents to become familiar with the regulations associated with the driving privilege as indicated on the Application for Parking Permit.

When entering the Smyrna High School property, all traffic must enter using the West side (Clayton Side entrance) and exit the property using the East side (Smyrna side exit). Please be mindful of the 15 MPH speed limit and yield to pedestrians crossing on their way to the building. No vehicles are permitted to park in the bus lane or to drop off or pick up students in front of the school between the hours of 7:00-7:30AM, and 2:15-2:45PM. The parent drop off is located on the Smyrna side of the building next to the entrance to the auditorium lobby. Please follow the driving directions provided by the signs, cones, and school personnel in that area when dropping off a student in the morning.

**Student Attire at SHS**

Proper attire in the business world requires a certain standard of dress. The Smyrna High School Dress Code reflects the community desire to prepare our students for the work force they will enter shortly. Parents and students should keep this dress code in mind when shopping for school clothing. Clothing worn to school should not interfere with the educational process. Some highlights from the Dress Code are:

- Tops that suggest inappropriate messages or display pictures such as tobacco, drugs, alcohol, hate messages, expose the midriff or undergarments, halter-tops, fish-net tops, tank tops, and muscle shirts are not be worn to school.
- Oversized pants that sag below the waist or drag on the floor and pants that are extremely tight are not to be worn to school.
- Pajamas and clothing articles that replicate undergarments are not to be worn to school.
- Shorts, skirts, and dresses should not be worn if the length is in violation of the Dress Code.
- Hats, headbands, bandanas, earmuffs, goggles, and any other head coverings (unless required for religious purposes) are not permitted in school.
- Versions of clothing such as see-through pants and "loungewear" such as pajamas, sleepwear, or slippers are unacceptable.

Parents and students should refer to the complete dress code pamphlet for further specific details.

**Use of Personally Owned Electronic Devices by Students**

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. To encourage educational growth, students at Smyrna High School may now bring their own mobile device to campus. Student use of such devices in the classroom environment must be approved by a teacher or administrator. Any non-approved uses of such devices are subject to the Smyrna High School Code of Conduct. For the purposes of Personally Owned Electronic Device, "Device" means privately owned portable electronic equipment that includes smart phones or other portable devices (i.e. MP3 Player, electronic book, tablet, etc) that can be used for word processing, wireless Internet access, and information transmitting/receiving/storing, etc. The Smyrna School District will not provide any wireless or Ethernet connections for such devices. Hot Spots or mobile wireless access points are not permitted.

**Smyrna Pride Leadership Recognition Award**

Smyrna Pride Leadership Recognition Award for Smyrna High School. During the 2016/2017 school year the staff at Smyrna High School was asked to nominate one student who they felt demonstrated an excellence in leadership ability for this award. After the names of all the nominees were submitted, they were then placed on a ballot and voted upon by the entire staff. In a school of over 1400 students, there were only four students, one from each grade level, selected for each marking period. The staff at Smyrna High School is very proud of our students who exemplify strong leadership skills and act as role models for their classmates by carrying out Smyrna School District's core values. We are also very proud of these students as they are helping to spread Smyrna PRIDE at our high school.

**SMYRNA HIGH SCHOOL ATTENDANCE POLICY Attendance Policy Highlights**

ESchool Attendance is recorded for every class of the day. Student daily attendance will be based on the following:  
 Absent 1 Period = full day present  
 Absent 2 periods = half day absent  
 Absent 3-4 periods = full day absent

The Attendance Review for semester and year-long class credit will be determined using the total days Absent for each individual class. Student credits will be awarded or denied for each class individually.

Students will be permitted to miss up to 10 days from a semester-long class, and up to 20 days from a year-long class and still be eligible to receive academic credit for the class.

Tardy to school is for students not in the building by 7:30 AM. Three unexcused tardies will be the same as one day Absent. This day of absence will count towards the total allowed absences for the year for that class. The tardies will be recorded in the main office before the student reports to class.

Tardy to class is for students 15 minutes or less late to any class of the day. The consequence is three unexcused tardies is the same as one day Absent. For each unexcused tardy starting with the 6th, the student will have an additional consequence of 1 day in SBIP. These absences are included in the student's total allowed absences for the year and may result in credit for the course being denied.

For questions or information concerning attendance, parents may contact Mrs. Stacy Watts or Mr. Leon Clarke by phone at 302-653-8581, or by e-mail at stacy.watts@smyrna.k12.de.us or leon.clarke@smyrna.k12.de.us. Parents may also choose to e-mail late and/or absent notes to Mrs. Watts.
