**Delaware Department of Education** 

# Certificate of Necessity Application – Renovations / Replacement

# 1. Project Name: Smyrna Middle School

**Project Description**: Building envelope, interior and MEP upgrades throughout the building are required to protect the investments previously made by the state and local district in this school. Major projects include addressing accessibility issues; repointing exterior masonry and replacing kitchen equipment. In addition, major MEP projects include replacing RTU's and domestic water supply plumbing. This will be the first renovation performed on this school since an addition in 2006. Refer to the attached assessment report for additional details.

Grade Levels Served: 7-8 in SY 2018/19. 6-8 long-term plan.

### **Facility Data**

### Present:

Address	700 Duck Creek Parkway, Smyrna, Delaware 19977				
Gross # square feet	120,694 s.f.				
Age of building	2002				
Age of additions	2008				
Year of last renovations	na				
Enrollment	968 in SY 2018/19				
Capacity	1200				

### Proposed:

Address	same
Gross # square feet	120,694 s.f.
Estimated start time of project	2022
Estimated completion date	2025
Estimated date of occupancy	2025
Capacity	1200

### Capital Request Funding

FISCAL YEAR	AMOUNT		
FY 20 <u>21</u>			
FY 20 <u>22</u>	\$651,185		
FY 20 <u>23</u>	\$4,020,906		

\$2,067,353		
\$6,739,444		

### Cost Breakdown/Phase Out

	FY20 <u>21</u>	FY20 <u>22</u>	FY20 <u>23</u>	FY20 <u>24</u>	FY20 <u>25</u>	TOTAL
Construction Expenses						
Planning/Design						
Architect/Engineering		475,000	75,000	75,000		625,000
Audit Fees		10,000		10,000		20,000
Site Development Costs						
Construction Costs		87,218	3,573,308	1,666,654		5,327,180
Construction Contingency		50,000	125,000	125,000		300,000
Demolition Costs		10,000	20,000	20,000		50,000
Other (Provide Description)						
Non-Construction Expenses	1					
Technology						
Furniture and Equipment						
Escalation Costs		18,967	227,598	170,699		417,264
Other (Provide Description)						
TOTALS		651,185	4,020,906	2,067,353		6,739,444

### 2. Project Details:

- a. The DOE decision-making process is based on a priority legend, with the highest priorities being the following:
  - i. Capacity and future enrollment
  - ii. Project corrects facility life, health or safety issues
  - iii. Building aesthetics and programming

### b. Renovations/Additions:

i. Provide a specific description for each of the schools to be renovated and/or expanded. Specific details are contained in the attached building needs

assessment. Provide details on the last time the school was renovated. Last renovation occurred as part of CN 0624 B and included a 500-student addition, mechanical room and kitchen expansion and utility upgrades to provide increased services to the school and minor interior renovations.

- ii. If needed because of overcrowding, please provide details of overcrowding issues. Which schools?
  What are the relief/redistribution plans? What are the patterns of population and student growth in the district?
- iii. Explain how these renovations and/or additions align with the priority legend. The renovations are required to address aging building systems and correct facility life, health and safety issues.
- iv. Has the school district obtained all the necessary district Board of Education approvals?  $\mathbf{x}$  Yes;  $\square$  No
- v. Can the renovations be funded with minor cap money? 🗌 Yes; **x** No
- vi. Can the renovations or additions happen during the school year? 🗌 Yes; **x** No

Please address the urgency of each project or your request in general. Building systems and infrastructure are aging and delays will increase costs and the potential for catastrophic failure. The attached assessment report identifies project based on the immediacy of need: immediate (1-2 years), short-term (3-4 years), mid-term (5-6 years) or long-term (7-10 years).

What would happen if the CN is not approved this year? Building systems will or already exceed their expected service life creating the risk for catastrophic systems failure, increased maintenance costs, inefficient operations and an environment not conducive to learning.

In what priority order would you classify your request(s) if not all requests were granted? A priority ranking for all projects is attached.

## 3. Request Deadline:

Complete Board approved capital requests, accompanied by all completed submission documentation must be submitted to DOE by no later than August 31<sup>st</sup> of each State fiscal year for the next year's capital budget submission to the attention of:

Education Associate, Capital Project Management Delaware Department of Education 401 Federal Street, Suite 2 Dover, DE 19901

## 4. Recommendations:

It is strongly recommended that districts notify DOE of any potential capital budget requests as early as possible in order to ensure a thorough review by DOE and to allow time for additional exchange of information, as applicable.

# 5. Attachments:

**x** District Board approved minutes (draft is acceptable)

**x** Building Professional (i.e. Architectural/Engineering firm) supporting documentation

Office of State Planning Coordination approval letter (if applicable)
